### NOTICES/PRESS RELEASES

#### 1.1 PRESS RELEASES

##### 1.1.1 TURBO RESOURCES LIMITED

October 31, 1983.

The Ontario Securities Commission announced today that the hearing originally for October 13, 1983, which was adjourned at the request of Turbo Resources Limited on October 12, 1983, will now be held on Tuesday, November 8, 1983 at the hour of 10:00 o'clock in the forenoon at the offices of the Commission on the 18th floor, 20 Queen Street West, Toronto, Ontario.

## 1.2 NOTICES

## 1.2.1 Class Ruling

Class RulingSection 71(1)(f)(i), 71(1)(h)  
Section 14g - Regulation

The ruling following this Notice is intended to govern the issue of securities pursuant to dividend or interest reinvestment or stock dividend plans having an optional cash payment component ("combined plans"), and the first trades in securities so issued.

The ruling is necessary so that combined plans are not treated as rights offerings under section 71(1)(h) of the Act, because of the cash payment component, which is not covered by section 14(f) of the Regulation or 71(1)(f)(i) of the Act.

A ruling was issued on March 18, 1982, (the "Previous Ruling") which did not include stock dividend plans, and did not address first trades. This ruling revises and expands the Previous Ruling.

The ruling permits the issue of such securities where the numbers of shares to be issued are minimal provided that:

- (a) the issuer is a reporting issuer in good standing, or
- (b) the issuer is recognized for the purpose of the ruling by the Director.

The Director has recognized the following issuers, pursuant to Policy 6.2 published December 24, 1982, in connection with the Previous Ruling, which should be interpreted as applicable to this ruling:

Those issuers (other than reporting issuers in default under the Act) where the class of securities of the issuer to be distributed under the combined plan is listed and posted for trading on:

- (a) the Montreal Exchange,
- (b) the Alberta Stock Exchange,
- (c) the Vancouver Stock Exchange,
- (d) the New York Stock Exchange, or
- (e) the American Stock Exchange.

Any other issuer that wishes to be recognized for this purpose must make application to the Director on an individual basis.

The effect of the ruling on first trades in securities acquired pursuant to the ruling is as follows:

- (a) generally, the resale provisions of subsection 71(5) apply (of benefit only in respect of reporting issuers),
- (b) if the issuer is not a reporting issuer, but is a S.E.C. registrant subject to the continuous disclosure requirements of the S.E.C., and Ontario shareholdings are minimal, the first trades may take place on regulated markets outside Canada.

## 2.2 DIVIDEND REINVESTMENT AND STOCK DIVIDEND PLANS

IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF DIVIDEND REINVESTMENT AND  
STOCK DIVIDEND PLANS

RULING  
(Sections 73 and 140)

UPON the application of the Director to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73(1) of the Securities Act, R.S.O. 1980, c. 466 (the "Act") that would replace and expand a previous class ruling of the Commission dated March 18, 1982 in respect of dividend reinvestment and share purchase plans (the "Previous Ruling");

AND UPON it appearing to the Commission that:

1. Pursuant to sections 71(1)(f)(i) and 34(1)12(i) of the Act, and sections 14(f) and 140(a) of the Regulation under the Act (the "existing exemptions") a trade by an issuer of equity securities pursuant to certain dividend or interest reinvestment or stock dividend plans is not subject to section 24 or 52 of the Act;
2. Most dividend or interest reinvestment plans and stock dividend plans include an added feature (the "cash payment option") which allows the participants to make cash payments to purchase additional securities of the issuer beyond the amount of the dividend or interest payable to such participants (such a dividend or interest reinvestment or stock dividend plan being referred to herein as a "combined plan"); and
3. The existing exemptions are not available with respect to securities issued pursuant to a combined plan because of the cash payment option;

AND UPON being satisfied that the making of this ruling would not be prejudicial to the public interest

IT IS RULED pursuant to section 73(1) of the Act that section 24 or 52 of the Act shall not apply to a trade (the "subject trade") made by an issuer of equity securities pursuant to a combined plan, provided that:

1. Either:

- (a) in any financial year of the issuer, the aggregate number of securities issued pursuant to the cash payment option of such combined plan does not exceed 2% of the number (at the commencement of that financial year) of the outstanding securities of the class of securities that is available for purchase under the cash payment option;

or

- (b) at the time of the subject trade, residents of Ontario hold not more than 5% of the outstanding securities of the class available for purchase under the cash payment option of such combined plan;

2. The issuer is a reporting issuer not in default under the Act or is recognized for the purpose of this ruling by the Director; and
3. (a) The first trade in the securities acquired by the seller pursuant to a combined plan shall be made in compliance with subsection 71(5) of the Act and with section 18a of the Regulation, as if the securities had been acquired pursuant to one of the exemptions referred to in subsection 71(5) of the Act; and  
(b) Such a first trade is not a distribution as defined in subparagraph (iii) of paragraph 11 of subsection 1(1) of the Act;

AND IT IS RULED that:

4. Notwithstanding paragraph 3 of this ruling, a first trade in the securities acquired by the seller pursuant to a combined plan shall not be subject to section 52 of the Act provided that:
  - (a) The issuer of the securities:
    - (i) is incorporated, organized or continued under the laws of a jurisdiction other than Canada or a province thereof;
    - (ii) is registered with the Securities and Exchange Commission in the United States of America (the "U.S.A.") under the Securities Exchange Act of 1934 of the U.S.A. (the "1934 Act"); and
    - (iii) is not exempt from the reporting requirements of the 1934 Act pursuant to Rule 12g 3-2 made under that Act;
  - (b) At the time of the acquisition of the securities that are the subject of such a first trade, residents of Ontario held not more than 5% of the outstanding securities of the particular class; and
  - (c) Such first trade is executed:
    - (i) through the facilities of a stock exchange outside of Canada, or;
    - (ii) in the over-the-counter market in the U.S.A. if shares of the class being traded are quoted on the National Association Securities Dealers Automated System at the time of such trade; and
  - (d) Such first trade is made in accordance with the rules of the stock exchange or market upon which the trade is made and in accordance with the applicable laws of the jurisdiction where the stock exchange or market is located;

AND IT IS ORDERED that the Previous Ruling be and it hereby is rescinded.

S. 73 - SECURITIES EXCHANGE TAKE-OVER BID - FIRST TRADES - REG. 16.(a)i - TENDER BY SECURITY HOLDERS

S.99(e) - SECURITIES EXCHANGE TAKE-OVER BID - BY GENERAL PARTNER FOR UNITS OF LIMITED PARTNERSHIPS - FINANCIAL STATEMENTS, ENGINEERING REPORTS

POLICY 9.1 - SECURITIES EXCHANGE TAKE-OVER BID BY GENERAL PARTNER FOR UNITS OF LIMITED PARTNERSHIPS - INSIDER BID - EXEMPTION FROM VALUATION REQUIREMENTS

Securities of the General Partner were to be issued in exchange for units of two limited partnerships pursuant to a securities exchange take-over bid circular, in compliance with the Act and regulations except that the financial statements and engineering reports were not as current as would be required in a prospectus. The Commission held that the bid could be made with the financial statements and engineering report as submitted, that the valuation requirement of Policy 9.1 in respect of insider bids would be waived in the circumstances, and that the holders of units of limited partnerships might tender to the bids notwithstanding the hold periods applicable to such units, and that although the General Partner would become a reporting issuer upon filing the securities exchange take-over bid, in the circumstances the first trades in shares of the General Partner acquired by the limited partners would be subject to subsection 71(5) of the Act, notwithstanding clause 16(a)i of the Regulation.

IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF GENESIS RESOURCES LTD.

AND UPON it appearing to the Commission that:

1. Genesis is a company incorporated under the Canada Business Corporations Act having its principal office in Calgary, Alberta;

2. Genesis is not a reporting issuer under the Act;
3. The common shares of Genesis are not listed and posted for trading on any stock exchange;
4. GLP-81 and GWEP-82 are limited partnerships formed under the laws of Alberta of which Genesis is the general partner;
5. Genesis proposes to make a take-over bid for the interests of the limited partners in GLP-81 and GWEP-82 pursuant to which a maximum of 3,599,760 common shares of Genesis will be exchanged for the limited partnership interests in GLP-81 and GWEP-82 (the "Take-over Bids");

7. Genesis does not hold any limited partnership interests in GLP-81 or GWEP-82;
8. The assets of Genesis consist of the general partnership interests in GLP-81 and GWEP-82, and a participation in an oil well in Saskatchewan;
9. The principal basis of the securities exchange in the Take-over Bids is the valuation of the assets of each of Genesis, GLP-81 and GWEP-82 as of February 1, 1983 and March 1, 1983 respectively by independent engineering consultants, without taking into account the assets of Genesis other than its general partnership interests in GLP-81 and GWEP-82;
10. There are no compulsory rights of acquisition of the limited partnership interests in GLP-81 and GWEP-82; and
11. Genesis proposes to send to each offeree under the Take-over Bids a take-over circular substantially in the form filed with the Commission in support of the subject application, together with a copy of a letter from G.Y. Engineering Ltd. dated July 29, 1983 and the audited financial statements of Genesis, GLP-81 and GWEP-82 as at June 30, 1983;

NOW THEREFORE IT IS ORDERED that Genesis be exempted in part from the provisions of subsection 94(2) and 94(3) of the Act and from section 96 of the Act in respect of the Take-over Bids;

AND IT IS ORDERED that the valuation requirement of Commission Policy 9.1 in respect of insider bids shall not apply to the Take-over Bids;

AND IT IS RULED that the tender by the limited partners of GLP-81 and GWEP-82 resident in Ontario of these limited partnership interests in GLP-81 and GWEP-82 to Genesis pursuant to the Take-over Bids is not subject to sections 24 or 52 of the Act;

PROVIDED THAT:

- (i) Genesis shall send to each limited partner of GLP-81 and GWEP-82 resident in Ontario a securities exchange take-over bid circular substantially in the form submitted to the Commission in support of the subject application (the "Circular"), together with a copy of a letter from G.Y. Engineering Ltd. dated July 29, 1983, the audited financial statements of Genesis, GLP-81 and GWEP-82 as at December 31, 1982, and

the unaudited interim financial statements of Genesis, GLP-81 and GWEP-82 as at June 30, 1983, and the Take-over Bids are effected in accordance therewith, and

- (ii) the Take-over Bids are effected in accordance with the Circular;
- (iii) for all purposes of the Act, the issue of Common Shares of Genesis pursuant to the Circular shall be deemed to be a distribution pursuant to a securities exchange take-over bid circular filed by the offeror with the Commission under the Act, except that subsection (i) of clause (a) of section 16 of the Regulation shall not be applicable in respect of the first trades in Common Shares received by GLP-81 and GWEP-82 being Ontario residents pursuant to the Take-over Bids.

1.2 J. D. BRIDGMAN/J. M. SHAUGHNESSY & D. B. ROBERTSON

IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF JON DALLAS BRIDGMAN,  
JOSEPH MICHAEL SHAUGHNESSY & DAVID BRIAN ROBERTSON

NOTICE OF HEARING

TAKE NOTICE that the Ontario Securities Commission will hold a hearing pursuant to subsection 26(1) of the Securities Act, R.S.O. 1980, c.466 (the "Act"), at its offices on the 18th floor, 20 Queen Street West, Toronto, Ontario on Friday, November 25, 1983 at the hour of 10:00 o'clock in the forenoon or so soon thereafter as the hearing can be held to consider whether it is in the public interest to order pursuant to subsection 26(1) of the Act that the registrations of Jon Dallas Bridgman ("Bridgman"), Joseph Michael Shaughnessy ("Shaughnessy") and David Brian Robertson ("Robertson"), or any of them, as securities salesman should be suspended, cancelled or restricted or whether terms and conditions should be imposed upon such registration or whether they should be reprimanded, by reason of the following allegations:

1. At all material times, Bridgman and Shaughnessy were associated with Osler, Wills, Bickle Limited as securities salesmen. From November 1, 1982 to March 1, 1983, Robertson was associated with Osler, Wills, Bickle Limited as a sales trainee. From March 1, 1983 to the date of this notice, Robertson has been associated with Osler, Wills, Bickle Limited as a securities salesman. At all material times, Shaughnessy was an officer and director of Osler, Wills, Bickle Limited.
2. On or about January 3, 1983, Bridgman and Robertson each purchased 10,000 common shares of Intercontinental Technologies Corporation ("Intercontinental") pursuant to an offering of common shares of Intercontinental purportedly made under subsection 71(1)(p) of the Act (the "Private Placement Shares"). Intercontinental is not and never has been a reporting issuer.
3. On or about January 3, 1983, Maureen Shaughnessy, the wife of Shaughnessy, purchased 10,000 Private Placement Shares.
4. An offering memorandum dated December 21, 1982 was distributed to prospective purchasers of Private Placement Shares, including Bridgman, Shaughnessy and Robertson. The offering memorandum stated that first trades of Private Placement Shares were subject to subsection 71(4) of the Act and that such first trades would be a distribution unless, among other things, the Private Placement Shares had been held for a least 18 months from the date Intercontinental became a reporting issuer. The offering memorandum further stated that Intercontinental was not then a reporting issuer.

5. On March 16, 1983, the common shares of Intercontinental were listed for quotation on the National Association of Securities Dealers Automated Quotation System ("NASDAQ").

CHAPTER 2

DECISIONS, ORDERS AND RULINGS

2.1 MYRON I. GOTTLIEB/CINEPLEX CORPORATION/GARTH DRABINSKY

IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1980, CHAPTER 466,

AND

IN THE MATTER OF MYRON I. GOTTLIEB AND  
A NOTICE OF HEARING UNDER SECTION 26

AND

IN THE MATTER OF CINEPLEX CORPORATION,  
GARTH DRABINSKY AND MYRON GOTTLIEB AND  
A NOTICE OF HEARING UNDER SECTION 124

ORDER

(Sections 26 and 124)

On October 11, 1983 the Commission gave notice of the foregoing hearings and set out therein certain allegations. Since that date, counsel to Myron I. Gottlieb and counsel to Cineplex Corporation and Garth Drabinsky have provided certain explanations and additional facts to the Commission.

In consequence of the foregoing, and with the consent of Messrs. Gottlieb and Drabinsky and Cineplex Corporation, and without prejudice to the rights of any other person, and considering it in the public interest to do so, the Commission hereby orders as follows:

A. The Notice of Hearing with respect to Cineplex Corporation, Garth Drabinsky and Myron I. Gottlieb pursuant to section 124 is hereby withdrawn as against Cineplex Corporation and Myron I. Gottlieb.

B. The allegations contained in the Notice of Hearing pursuant to section 124, as it remains with respect to Garth Drabinsky, and the allegations contained in the Notice of Hearing with respect to Myron I. Gottlieb pursuant to section 26, are each hereby withdrawn and replaced by the following allegations:

"1. Cineplex is a corporation incorporated under the Business Corporations Act of Ontario and its shares are listed and posted for trading on The Toronto Stock Exchange.

2. Drabinsky is the President and Chief Executive Officer of Cineplex and is employed by Cineplex on a full time basis.

3. Gottlieb is the President and Chief Executive Officer of Merit Investment Corporation. On December 1, 1982 the office of chief operating officer of Cineplex was created and Gottlieb was appointed to this office and held such office until its abolition on February 16, 1983. During this period Gottlieb remained the President and Chief Executive Officer of Merit Investment Corporation and devoted only a portion of his time to Cineplex's affairs.

4. On February 4, 1983 Cineplex filed a press release and a Material Change Report with the Commission and with The Toronto Stock Exchange. The press release was disseminated to the media; the Material Change Report was not so disseminated.

5. The Material Change Report and press release were each drafted by independent counsel to Cineplex and reviewed and approved by Gottlieb and Drabinsky.

6. The press release did not disclose the serious working capital deterioration of Cineplex which had occurred between September 30, 1982, the date of the latest interim financial statements which had been furnished to shareholders, and November 25, 1982, the date to which internal financial statements of Cineplex had then been prepared. An unaudited balance sheet of Cineplex as at November 25, 1982 was attached to the Material Change Report of Cineplex, from which such deterioration was calculable.

7. On February 23, 1983 Cineplex issued a further press release in order to clarify its financial position."

C. As the Chief Executive Officer of Cineplex Drabinsky bears responsibility for Cineplex's deficient press release. Gottlieb also bears responsibility for Cineplex's deficient press release even though his position as chief operating officer of Cineplex was a temporary one not involving his full time and attention.

D. Pursuant to section 26, Gottlieb is hereby REPRIMANDED by the Commission because as an officer of a reporting issuer sharing the responsibility of making public disclosure, he and every such other officer is responsible for ensuring that any press release made by a reporting issuer with respect to a material change must disclose the nature and substance of the material change, and he cannot avoid such responsibility by relying on counsel or on the fact that the material change was disclosed in a material change report filed with the Commission or some other regulatory body.

E. As Drabinsky was the chief executive officer of Cineplex and as such bears responsibility for the deficient press release, it is hereby ORDERED pursuant to section 124 that the exemptions contained in sections 34, 71, 72 and 88 of the Act shall not apply to Drabinsky for a period of ten consecutive business days commencing December 15, 1983.

### NOTICES/PRESS RELEASES

#### 1.1 NOTICES

##### 1.1.1 CANADIAN SECURITIES ADMINISTRATORS' PRESS RELEASE

#### CANADIAN SECURITIES ADMINISTRATORS' PRESS RELEASE

The Canadian Securities Administrators' meeting in Vancouver on November 15 - 17, 1983 released the following statement.

"The Canadian Securities Administrators (with Saskatchewan absent and Quebec abstaining) conducted a review and a discussion of the Report of the Ontario Securities Commission on the Implications for Canadian Capital Markets of the Provision by Financial Institutions of Access to Discount Brokerage Services.

The meeting is of the opinion that the Report recognizes that the underwriting and brokerage functions are fundamental to and are to be preserved exclusively for the investment industry.

Each of the individual members of the C.S.A. reserve their opinion on the overall recommendations of the Report and the ultimate disposition of The Toronto-Dominion, Green Line Investors Service application in their respective jurisdictions."

## 1.2 DISCOUNT BROKERAGE SERVICES

MATTERS ARISING FROM THE ONTARIO SECURITIES  
COMMISSION'S REPORT ON THE IMPLICATIONS FOR  
THE CANADIAN CAPITAL MARKETS OF THE PROVISION  
BY FINANCIAL INSTITUTIONS OF ACCESS  
TO DISCOUNT BROKERAGE SERVICES

On October 31, 1983 the Commission published the above-noted Report in a special supplement to the OSC Bulletin. The Commission indicated in the Report that it would take certain action in the public interest including the issuance of an order pursuant to section 124 of the Securities Act (the "Act") narrowing the exemption in paragraph 34(1)11 of the Act, publishing conditions of registration for persons or companies offering access to order execution services otherwise than on a passive basis, and considering recommendations of its staff whether section 141 of the Regulations under the Act should be amended to appropriately narrow the primary market securities activities of financial institutions.

Order Under Section 124

Schedule A to this Notice is a draft order under section 124 of the Act which would have the effect of requiring banks and trust companies to register as dealers under the Act if they wish to offer and actively promote order execution access services. The draft order would narrow the exemption in paragraph 34(1)11 of the Act which might otherwise permit banks and trust companies, but not other persons or companies, to promote such services without being required to obtain registration.

Order Execution Access Dealers - Conditions of Registration

Schedule B to this Notice contains draft conditions of registration for persons or companies who wish to offer and actively promote order execution access services, including financial institutions such as banks, trust companies, insurance companies and credit unions. Schedule B is intended to give effect to the Commission's recommendations in the Report concerning "suitability rule" compliance, prohibitions on "tied arrangements" between order execution access dealers and execution dealers, and appropriate restrictions on other securities related activities of order execution access dealers.

Parts A and B of the draft conditions will become effective upon the making of an order by the Commission under section 93 of the Regulations. Part C of Schedule B is a model of the conditions which the Director will impose on order execution access dealers pursuant to the Director's powers under section 25 of the Act.

Restrictions on Primary Market Activities of Financial Institutions

Paragraph 4.27 of the Report states:

"To sum up this Part IV, it is the Commission's view that (i) the new issue business is the core function of the securities industry, (ii) essential to, and supportive of, this business is the distribution of securities, (iii) an essential element of such distribution is the solicitation of sales of securities, which can only be achieved by

giving investment advice and (iv) the involvement of financial institutions in providing discount access services does not materially impair the performance of the core function of the securities industry and the essential functions related to the core function. It will be apparent from our recommendations that the Commission will exercise its powers to ensure that the discharge of the core function by the securities industry will not be impaired."

The Commission therefore concluded that it would be contrary to the public interest for financial institutions to become involved in the "core" and essential functions of the securities industry, including the "new issue" business and full service brokerage, implicit in which is the provision of investment advice and solicitation or orders. The Act currently limits the extent to which financial institutions may provide investment advice. Schedule C to this Notice is a draft amendment to the Regulations which removes the underwriter registration exemptions available to banks, trust companies, insurance companies and credit unions, except in respect of government debt securities. The exemption in respect of government debt securities would be continued under the amended Regulations.

#### Request for Comments

The Commission is anxious to receive comments from interested parties concerning this Notice and the Schedules on or before December 5, 1983. The Commission believes that it is appropriate to keep the comment period relatively brief in view of the prior availability of the Report. Fifteen copies of comments should be sent to:

Schedule A  
IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF DISCOUNT BROKERAGE  
AND THE ROLE OF FINANCIAL INSTITUTIONS

ORDER  
(Section 124)

WHEREAS pursuant to a notice of meeting dated May 5, 1983 the Ontario Securities Commission (the "Commission") convened a public meeting (the "Meeting") for the purpose of receiving evidence and submissions from interested parties relating generally to discount brokerage and the role of financial institutions in providing brokerage and related services to the public;

AND WHEREAS the Meeting was completed on September 27, 1983 after all parties who wished to submit evidence or make submissions thereat had been provided an opportunity to do so;

AND WHEREAS the Commission considered the evidence given and submissions made at the Meeting and issued its Report on the Implications for the Canadian Capital Markets of the Provision by Financial Institutions of Access to Discount Brokerage Services (the "Report") dated October 31, 1983;

AND WHEREAS the Commission, as stated in the Report, is of the opinion that it is in the public interest to require registration under the Securities Act, R.S.O. 1980, c.466 (the "Act") in a special dealer category of any person or company offering and actively promoting or marketing a service (an "order execution access service") pursuant to which customers may place orders to purchase or sell securities for execution through another dealer registered under the Act;

AND WHEREAS the Commission is of the view that the exemption in paragraph 34(1)11 of the Act may permit banks to which the Bank Act (Canada) applies and trust companies registered under the Loan and Trust Corporations Act (collectively, "institutions") to offer and actively promote and market order execution access services without being registered under the Act;

IT IS ORDERED pursuant to section 124 of the Act that the exemption in paragraph 34(1)11 of the Act does not apply to an institution which offers an order execution access service and which communicates in any manner the availability of the service, except only by providing oral information or descriptive material in response to unsolicited requests for information concerning such service.

DATED at Toronto this            day of            , 1983.

## 1.3 CICA HANDBOOK RECOMMENDATION - SECTION 4510

CICA HANDBOOK RECOMMENDATION - SECTION 4510"Reporting the Effects of Changing Prices"

In December 1982 the Accounting Standards Committee of the Canadian Institute of Chartered Accountants ("CICA") promulgated recommendations that appear in section 4510 of the CICA Handbook, "Reporting the Effects of Changing Prices". The thrust of section 4510 is to continue the historical cost basis for financial statements and to introduce supplementary information, but not as part of the financial statements, disclosing the effects of changing prices on the reporting enterprise.

Accounting for changing prices has been the subject of long and thorough research in many countries and in certain countries moves have been made toward its initial implementation. Although accounting for changing prices is not a new problem, there are no easy answers to the measurement of the effects of inflation and other price changes, just as there are no easy answers to the problem of inflation itself.

The Commission, although not actively involved, monitored the development of various methods of accounting for changing prices and in the process concluded that departing from the historical cost and historical dollar concept is a difficult step. The various methods of accounting for changing prices, when tested, show that the task is not merely a matter of choosing one method from a number of similar alternatives. Rather, it is a matter of choosing from significantly dissimilar methods. The search, therefore, must be for a substitute for or supplement to historical cost that is both an improvement and is equal to or superior to other alternatives. Experience in other countries tends to caution against commitments to new, formal accounting methods, but to support disclosures regarding the impact of price changes as supplementary to financial statements.

Accordingly, the Commission agrees with the CICA initiative but does not propose to take steps, at this time, which would mandate the implementation of the CICA recommendations by reporting issuers.

As reporting issuers gain more experience with accounting for changing prices, they and the Commission will be able to evaluate their experience and see the direction in which to move. The Commission will monitor what it considers to be an important experiment designed to lead to improved reporting.

## 1.4 MAYLAC GOLD MINES LIMITED

IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF MAYLAC GOLD MINES LIMITED

NOTICE OF HEARING  
(Section 123)

UPON having issued a Temporary Order dated November 10, 1983 that all trading in securities of MAYLAC GOLD MINES LIMITED ("MAYLAC") should cease for a period of fifteen days;

TAKE NOTICE that the Ontario Securities Commission will hold a hearing pursuant to section 123 of the Securities Act, R.S.O. 1980, c.466, at its offices on the 18th floor, 20 Queen Street West, Toronto on Wednesday the 23rd day of November, 1983 at the hour of 2:30 o'clock in the afternoon, or so soon thereafter as the hearing can be held, to consider whether it would be in the public interest to extend, vary or make permanent the said Temporary Order by reason of the allegation that MAYLAC issued a press release on or about October 12, 1983 that misrepresented the current status and business affairs of MAYLAC in the following particulars:

1. the press release stated that MAYLAC had acquired certain mining claims in the Northwest Territories and quoted earlier geological reports describing the claims. It did not disclose:
  - a) the consideration for the claims was to be 300,000 shares of MAYLAC;
  - b) the shares were to be transferred to a company controlled by the president of MAYLAC in consideration of a \$30,000 debt owed by the vendors of the claims;
  - c) the most recent geological reports were completed in 1947;
  - d) MAYLAC was obligated to spend up to \$200,000 during the next two years to explore and develop the claims; and
  - e) the transaction had not yet closed pending registration of MAYLAC to carry on business in the Northwest Territories;
2. the press release stated that a subsidiary ("MAYLAC NEVADA") had acquired certain silver properties in the state of Nevada, U.S.A. It did not state that MAYLAC had yet to acquire control of MAYLAC NEVADA, nor that the acquisition was to be from a company in which the president of MAYLAC holds a 25% interest;
3. the press release stated that MAYLAC NEVADA had acquired mining claims capable of producing 60 ounces of silver per average ton according to geological reports when no such reports existed;

4. the press release stated that MAYLAC NEVADA had entered into a joint venture to process tailings on a property in Ely, Nevada and inaccurately described the mineral content of such tailings;

AND TAKE NOTICE that upon the failure of MAYLAC to attend at the time and place aforesaid the Commission may proceed in its absence and it will not be entitled to any further notice in the proceedings.

November 14th, 1983.

## 1.5 REGISTRATION REQUIREMENTS

Registered dealers, advisers, underwriters, their officers, directors, partners and salesman are reminded of their obligations under the Securities Act to advise the Director in writing within five business days of the event of those changes as are outlined in section 32 of the Act.

The Registration Branch has been instructed to advise the Commission of defaulters in this area in order that appropriate action may be taken.

## 1.6 INCREASED FEES FOR CORPORATIONS

The Commission has been advised by the Companies Division of the Ministry of Consumer and Commercial Relations that Regulations respecting the Business Corporations Act - O. Reg. 678/83; the Corporations Act - O. Reg. 677/83 and Corporation Securities Registration Act - O. Reg. 676/83 have been amended to increase fees of \$20.00 and over. These increases will take effect December 1, 1983. The amount of any increase will be no greater than 5%.

## 1.4 PRESS RELEASE

## 1.4.1 GREEN LINE RULING NOT MODIFIED BY OSC

GREEN LINE RULING NOT MODIFIED BY OSC

The Ontario Securities Commission stated that a headline in the November 22 Globe and Mail, Report on Business is incorrect, although the accompanying article is substantially correct. The Commission has not modified the recommendations made in its Report on the Implications for Canadian Capital Markets of the Provision by Financial Institutions of Access to Discount Brokerage Services. The Commission has simply published for comment (i) an order it proposes to issue which has the effect of requiring banks and trust companies that wish to offer order execution access services to register with the Commission (ii) conditions of registration which the Commission proposes to impose on financial institutions offering such services, and (iii) an amendment it will request to the Regulations to the Securities Act to limit the activities of financial institutions in the private placement business. The proposals appear in the OSC Bulletin dated November 18, 1983 and the Commission has requested comments by December 5, 1983.

## 1.5 GRANDMA LEE'S INC.

November 24, 1983

The Ontario Securities Commission today made a Temporary Cease Trading Order in respect of the securities of Grandma Lee's Inc. ("GLI") because of GLI's failure to file and send to its security holders audited financial statements for the year ended June 30, 1983 within the time required by Ontario law.

Except as noted below, it is expected that the Order will remain in force until the audited financial statements are available. Commission staff have been informed that this may take some four to six weeks.

Commission staff have advised GLI that if GLI is able earlier to publish interim unaudited financial information, and if certain other conditions are met, staff will recommend to the Commission rescission of the Cease Trading Order.
